**Subject: Program Grant Agreement Number PER-202-G01-H-00
Implementation Letter Number 4**

Dear Mr Stanojevich,

We refer to the Program Grant Agreement between The Global Fund to Fight AIDS, Tuberculosis and Malaria (the "Global Fund") and CARE Peru (the "Principal Recipient") for a HIV/ AIDS program entitled "Strengthening of the Prevention and Control of AIDS in Peru," effective 4th November 2003 and amended by letters dated 15th July 2004, 28th April 2005 and 22 June 2005 (as amended from time to time, the "Grant Agreement"). Capitalized terms used but not defined in this letter have the meaning given to them in the Grant Agreement.

As you know, the Global Fund has decided to continue funding of the Program for the remaining years ("Phase 2") of the Program. We are currently awaiting the documents necessary to negotiate the Phase 2 renewal.

As you are aware, the Program Ending Date of the Grant Agreement is November 30th 2005. In order to ensure that Program activities are not disrupted during our negotiation of the Phase 2 renewal documents, the Global Fund proposes to amend the Grant Agreement by extending the Program Ending Date to January 31st 2006. Please note that this amendment is an interim measure to avoid disruption to the Program activities and that Phase 2 will be deemed to have begun on 1st December 2005.

We have also taken this opportunity to update the Global Fund's address details.

By signing this implementation letter, the Global Fund and the Principal Recipient agree to amend blocks 3, 5 and 13 of the face sheet of the Grant Agreement as follows:

Block 3:	Modification Number and Date:	Modification 04, 30th November 2005
Block 5:	Program Ending Date:	January 31st, 2006
Block 13:	Global Fund Additional Representative:	Wm Bradford Herbert Chief of Operations Chemin de Blandonnet, 8 1214 Vernier Geneva, Switzerland Tel.: +41-22-791-1700 Fax: +41-22-791-1701

During the period 1st December, 2005 – 31st January 2006 (the "Extension Period"), the Principal Recipient shall continue to conduct Program activities in line with the activities conducted to date and shall report on the following indicators as specified below:

Indicator	Directly tied to Global Fund financing?	Target for Extension Period	Due date for reported results
Objective 1: Contracting of sub-recipients for the execution of Objective 1 of the Programme	Y	All sub-recipients executing phase two activities contracted	Progress to be reported as part of ninth quarterly progress report
Objective 2 Contracting of sub-recipients for the execution of Objective 2 of the Programme	Y	Sub-recipient executing phase two activity contracted or tendering process initiated	Progress to be reported as part of ninth quarterly progress report
Objective 3: Number of pregnant women who receive HIV rapid tests	Y	An additional 25,000 rapid tests completed	Progress to be reported as part of ninth quarterly progress report
Objective 4: Number and percentage of people living with HIV in immune-deficiency stage receiving antiretrovirals (ARVs) according MOH technical regulations	Y	An additional 450 PLWHA on treatment	Progress to be reported as part of ninth quarterly progress report

Achievement of the targets for the Extension Period, in addition to other relevant information, shall be used by the Global Fund as a basis for determining disbursements of Grant funds. Disbursement of Grant funds will only be made against submission of a budget for the Extension Period that is acceptable to the Global Fund.

As you are aware, the Phase 2 renewal is conditional upon satisfaction of certain conditions. During the Extension Period, we expect that the Principal Recipient and CCM will be working to fulfill these conditions. Once the Global Fund has received evidence acceptable to it, that each such condition has been fulfilled, we will contact you to negotiate the Phase 2 renewal documentation.

Except as modified herein, the Grant Agreement remains in full force and effect.

This amendment shall come into force on the date of signature of this letter by both parties. Please confirm your agreement with the foregoing by signing both enclosed copies of this letter and returning one to us, retaining one copy for your records.

We thank you and your partners for undertaking this important effort in the global fight against HIV/AIDS.

Yours sincerely,

Wm. Bradford Herbert
Chief of Operations
